

## Suggested email to your Church Leader

Want to host a Compassion Sunday service at your church? Simply copy and paste this text into an email to send to your church leader to tell him/her more about your sponsored child and why you'd like to hold a Compassion Sunday service.

Dear [Church Leader's Name]

I personally support [Child's name/names] in [Country] through Compassion UK and I'd love to give others in our congregation the chance to do likewise and receive the joy I get from helping [him/her/them].

Could I please meet with you for half an hour to talk about how we can set aside one Sunday to focus on how we as a church can release children from poverty in Jesus' name?

Compassion provide excellent resources that you can see here:

Thanks for taking the time to consider this. I do hope we can meet so I can explain more and answer any questions that you may have.

Yours in Christ,

[Your Name]
